College Drama Festival

Introduction

A group of students organised a drama festival last weekend. There were lots of exciting events including performances of plays, some comedy and students reading

poetry, some of which they had written themselves. In total, about 100 students took part, many of them helping backstage with scenery, costumes and lighting.

The arrangements

Events took place in the drama studio as well as in some classrooms. It was well advertised and most students from the college attended as well as their families and some local schoolchildren. Some students volunteered to do workshops with the children. These were very popular and went on all day.

Suggestions

There are some changes we would make for future events. There were too many performances going on at the same time and this meant that some people had to miss things which they really wanted to go to. Some of the poetry performances were less popular than the comedy so we would have more comedy next time. We also need to have snacks on sale for the children. Apart from that, everybody had a fantastic day.
