- 1 can't | be switched
- 2 I came | across
- 3 is much | tastier than
- 4 warned me | not to go
- 5 will go on | until
- 6 shouldn't | have borrowed

Listening part 1

- 1 B (M: and found that nothing comes close to what a café coffee machine can produce)
- 2 C (F: I think you're wasting the day)
- 3 A (W: I always get the feeling they think it's some kind of passive relaxation therapy)
- 4 C (W: It calls for a lot of energy and movement)
- 5 B (W: There aren't many from our class still in the village, though)
- 6 A (M: Unfortunately, they aren't smart enough for work)
- 7 B (W: Strange that I'm more anxious about my part-time job than university)
- 8 C (W: my memory improved - I started planning my life more effectively and generally felt more positive)

Writing Part 2 (A report)

1

Sentences

2 (Introduction, Victoria Park, Suggestions for improvements, Conclusion, Riverland Park)

3,5 (eg: The aim of this report... There is no use of contractions)

and 6 should be ticked

2

1 to find (we use infinitive because we are explaining the why we do sth)

2 opening (use of ING because after the verb **recommend** the gerund is used because there is no direct object)

3 repairing (use of ING because after the verb **suggest** the gerund is used)

4 to close (we use infinitive because we are explaining the why we do sth)

5 to attract

6 building (use of ING because after the verb **involve** the gerund is used)

**Please, ask your teacher if you have
made a mistake and would like it
explained.**
