Grammar

2 *Suggested answers:*

- 1 Katya took up karate when she was seven years old because she was interested in it.
- 2 Her father, who is a professional karate instructor, taught her, so she progressed quickly and soon became junior regional champion.
- 3 She did karate with other children who were the same age as her, but none of them was as good as her, so she felt dissatisfied.
- 4 Last year, she participated in the national championship, but she did not win because she was injured during one of the matches.
- 5 She hopes to become a professional karate instructor and work in the same sports centre as her father because he has too many students.
- 6 Some of her father's students have been studying karate for several years, and her father thinks they would benefit from a different teacher because they are too familiar with his style of karate.
