Hi Alex,

It was great to hear from you. **Thanks for reminding me** about Lucy's birthday! I like your ideas, but **it's better to go to your house** because I think the restaurant will be too expensive for some people. I'm going to the cinema on Sunday afternoon, but **I'm free on Saturday. Is that a good day for you?**

I'm not sure what we can give Lucy. I know she likes music. **Maybe we can buy her an Ed Sheeran CD** because he's her favourite singer. I can go to the music shop tomorrow. Do you want to come with me?

Lots of love,

**Please, ask your teacher if you have
made a mistake and would like it
explained.**
